**THE BMW 6 SERIES.  
ORIGINAL BMW ACCESSORIES.  
JOY HAS BOUNDLESS POSSIBILITIES.**

## **EXPERIENCE THE POWER OF INNOVATIVE IDEAS.**

Original BMW accessories for the BMW 6 Series combine stylish design with a high degree of practicality. Over the next few pages, you will read about some of the exterior and interior accessories, and communication and information systems available. Every Original BMW accessories product sets new standards, offering dynamic performance, distinctive elegance and maximum convenience.

# BEAUTY THAT'S MORE THAN SKIN-DEEP.

ORIGINAL BMW EXTERIOR ACCESSORIES.

**1 M cross spoke composite wheel 101**

Cast and rolled alloy wheel, 20-inch size. Two-part with titanium bolts. Burnished rim flange.

**1 M double spoke 184**

Cast alloy wheel, 18-inch size.

**1 Wind deflector**

Reduces air draught and turbulence in the passenger compartment.

**1 M double spoke 288**

Cast alloy wheel, 19-inch size.

**2 Star spoke 249**

Cast alloy wheel, 19-inch size.

**3 Star spoke 218**

Cast alloy wheel, 19-inch size.

**4 Star spoke 92**

Forged and polished alloy wheel, 19-inch size.

**5 Adaptive directional headlights**

Electromechanically controlled headlights perfectly illuminate every corner as soon as the driver steers into it.

Original BMW alloy wheels are worth getting excited about. But that's not surprising, when you stop to consider how complex and time-consuming the design process is, involving initial sketches, extensive use of CAD technology and the production of full-size Ureol models. BMW also subjects the wheels to an extensive array of quality and safety testing procedures that includes the use of X-rays and ultrasound. But the results more than justify all this effort – as you will appreciate every time you drive on them.

# CREATE YOUR OWN ATMOSPHERE.

## ORIGINAL BMW INTERIOR ACCESSORIES.

### 1 Handbrake grip in dark variegated birch

### 1+2 Interior trim strips in dark variegated birch

An exclusive and eye-catching detail. This option includes precision-crafted interior trim strips in fine wood for the dashboard, centre console, rear armrest and doors.

### 2 Leather-covered selector lever grip with decorative strip in dark variegated birch

The perfect finishing touch to the fine wood trims for the BMW 6 Series.

**1 M leather-covered sport steering wheel**

With multifunction option. Diameter 380 mm.

**1 M leather-covered sport gear lever knob**

A shortened gear lever knob carrying the M emblem, further enhancing the sports-car feel of the interior.

**1 Interior trim strips in longitudinally ground aluminium**

Bring an elegant, sporty feel to the interior. This option includes interior trim strips for the dashboard, centre console, rear armrest and doors.

**2 Stainless steel pedals**

A stylish detail in the footwell.

**2 City floor mats**

Dirt-repellent and water-resistant. Available in black, beige and reed.

**3 M footrest**

A strikingly sporty addition to the footwell.

## GET THE FULL PICTURE.

ORIGINAL BMW COMMUNICATION AND INFORMATION ACCESSORIES.

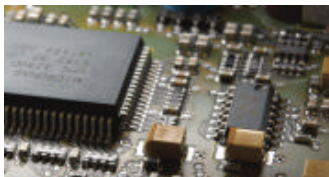

### 1 iPod interface

Enjoy all your favourite music on the road. The interface connects the iPod™ directly to your vehicle's audio system: artist, song and genre information and playlists can all be viewed on the control display, and music can be selected using the iDrive controller or the multifunction steering wheel. The iPod™ is stored securely in the glovebox, and the battery is charged during playback through the vehicle's electrical system.

### 2 Bluetooth hands-free kit

For common handsets from Nokia, Sony Ericsson and Motorola, plus RIM BlackBerry® and Apple iPhone™ devices. Thanks to the interchangeable, phone-specific snap-in adapter, drivers can make calls hands-free. When plugged in to the system, the phone is automatically recharged. Operation is via the iDrive controller, multifunction steering wheel or voice control. An external aerial ensures the best possible reception at all times.

There is a wide range of electronic accessories available for your BMW, including TV and DVD solutions, and camera systems such as the Rear View Camera. To ensure these technologies work seamlessly together, both with each other and with the complex on-board electronics of the vehicle, the BMW engineers have developed the Accessory Control Menu. This allows all electronic Original BMW accessories products to be managed from a single interface, which is operated via iDrive.

#### 1 Accessory Control Menu

Gives drivers direct access to accessories such as camera systems and Park Distance Control via a single menu-based interface, and allows these to be controlled via the iDrive controller. More information available on request.

#### 2 Professional navigation system

With 8.8-inch display, including BMW Professional radio, on-board computer and expanded voice control. GPS directs drivers swiftly and accurately to their destination. The system provides guidance by voice instructions and route maps or directional arrows. The splitscreen function enables information from two sources – for example, the navigation system and the radio menu – to be displayed at the same time. The dynamic route guidance system suggests an alternative route when the radio receives information on traffic congestion via TMC.

#### 3 Rear View Camera

Ensures maximum safety when reversing. When reverse gear is selected, a 131-degree wide-angle camera in the luggage compartment lid starts filming the area behind the vehicle. The feed from the camera is shown on the control display.

#### 4 Side View Camera

For safe turning at road junctions with poor visibility. A camera and a special prismatic lens monitor the cross-traffic and show the images on the control display. The camera is located in the middle of the car under the bumper.

## BRILLIANT IDEAS, SPARKLING RESULTS.

### ORIGINAL BMW CLEANING AND CARE PRODUCTS.

An extensive range of cleaning and care products is available for your BMW, helping to keep it looking its best. All of them are environmentally friendly, and there are specific products to protect and care for all of the surfaces found in BMW cars, including leather, fabrics, glass and paint – so you can be proud to be seen in your BMW everywhere you go in it.

For example, Original BMW hard wax with nano-technology keeps paintwork looking just as good as it did in the showroom, while rim cleaner gel keeps Original BMW alloy wheels free of brake dust. There are even Original BMW Care Products to keep you safe, by meeting the specific requirements of different times of the year; Original BMW clear glass, for instance, ensures that windscreens stay clean and smear-free, in summer and winter alike.

**A selection of cleaning and care products can be found in the range overview on page 23.**

# EQUIPPED WITH THE BEST IDEAS.

## ORIGINAL BMW ACCESSORIES RANGE OVERVIEW.

# JOY IS KNOWING THAT YOU ARE IN GOOD HANDS.

To ensure your BMW performs at its best every day, your BMW Service Centre does much more than just give you advice on which Original BMW Accessories to choose and offer a professional fitting service.

**BMW TeleServices** – your BMW automatically informs you when it's due for a trip to one of our 3,300 BMW Service Centres. The on-board Condition Based Service system tells you of any upcoming maintenance and servicing required, and BMW TeleServices\* communicates this information to your BMW Service Centre. A service employee will then ring you to make an appointment. The BMW Service Centre keeps a full range of Original BMW Parts in stock – so it's able to repair any problems quickly and effectively. In short, quality and safety are at the heart of everything we do.

**BMW Service Inclusive** – you pay a fixed price, and depending on the package you choose, routine maintenance, wear-and-tear repairs and even out-of-warranty repairs are covered for a defined time period or mileage.

**BMW Mobile Service** – a breakdown service from BMW which, in the unlikely event of a breakdown, is on call any time, day or night. The BMW TeleService diagnosis\* transmits all the relevant details to BMW Service headquarters. This allows a BMW Service specialist to identify the problem so that they can help you to resolve the issue yourself, send a BMW breakdown recovery vehicle to your assistance, or fix the problem remotely using the BMW TeleService help.\*

For more information on BMW Service, please contact your BMW Service Centre or visit [www.bmw.com/service](http://www.bmw.com/service)

## BMW SERVICE.

\* BMW TeleServices are available in all BMW vehicles with the exception of the BMW X3. However, the optional Bluetooth mobile phone interface (option 633 or option 644) must be fitted and, on certain models, the BMW Professional radio in conjunction with the control display (BMW Business navigation system (option 606) or the Professional navigation system (option 609)) must also be fitted.
